It's Death Again It's Death Again

He's Always There

Watching

Waiting

with A Stare

Every Time I Look Behind

Or Reach To Pull The Window Blind

I Catch A Glimpse Of Grubby Hood A Little Clue To Where He Stood

The Glint Of Light That Caught The Scythe

Perhaps If I Could Pay A Tithe

But Oh, No Use, He'll Never Go

The Adamant Phantom

Don't You Know

He Will But Wait Until It's Time

For Me To Hear His Fateful Chime

The Toll That's Only Meant For Me

To Say "You're Next" It Has To Be

It's Death Again This Time He's Here For Me
